ACTIVITIES

The need to find adventure in life and the ability to understand and accept the lives of others are special qualities. Seldom are these qualities more evident than in the man to whom we dedicate this book. These few words fall short of expressing the love and respect that we feel for this man. He leaves a part of himself in everything he does. During his few years at John Glenn High School he has helped to pioneer the Expo Program and shaped the M.G.M. Program in such a way as to be the model for our district. Presently, he is the faculty advisor to the A.S.B. cabinet and is the Director of Activities. We hope that through this dedication we can express some of the appreciation that is due Mr. Donald Usher.

HOWDY DANCE

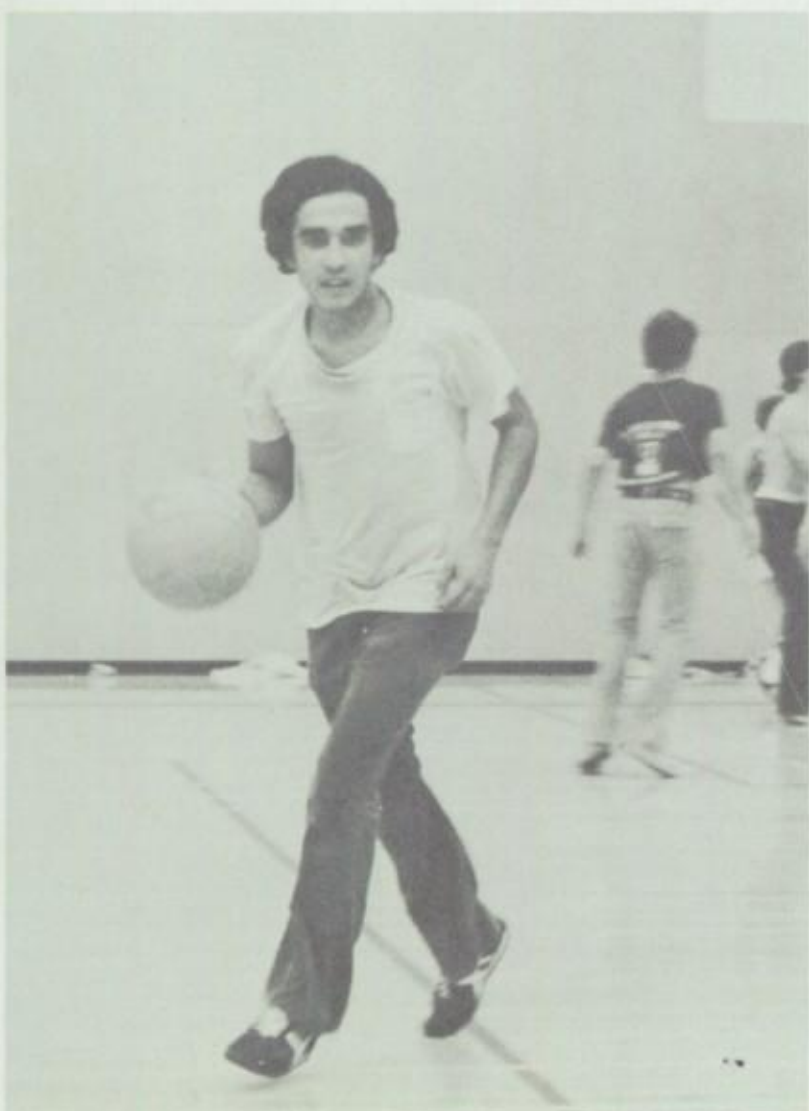

Howdy Dance, the first dance of the year, turned out to be a smash. The whole gang had a great time, even Dave the Narc was out there "Boogying". Everyone will always remember the first dance as a joyful time.

SPORTS NIGHT

Students relieve their tensions and frustrations while associating with teachers and expressing good sportsmanship as well.

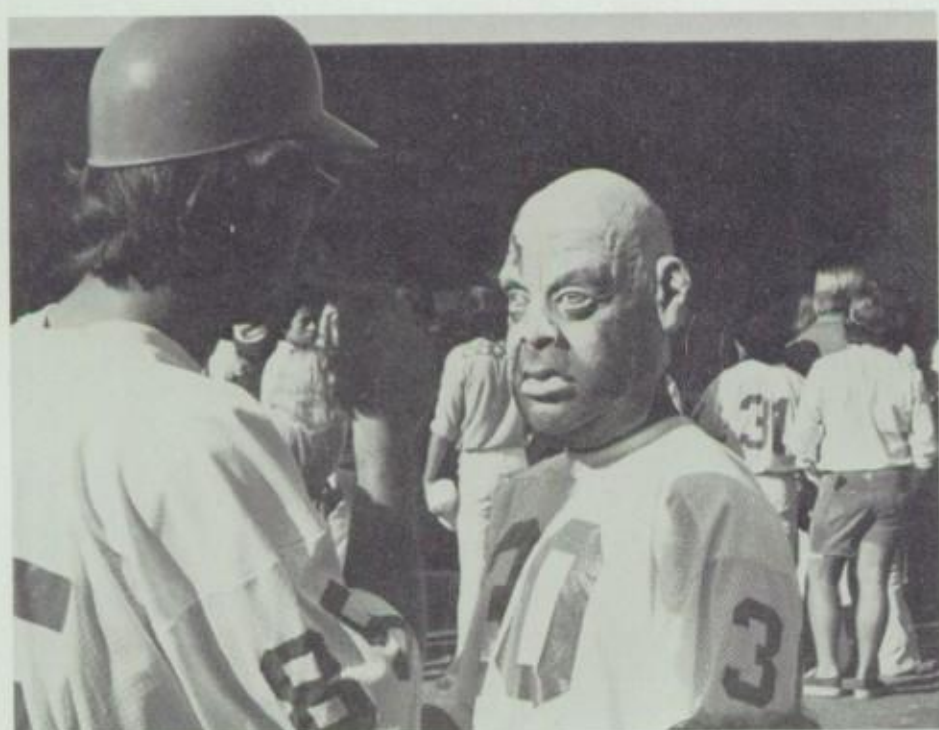

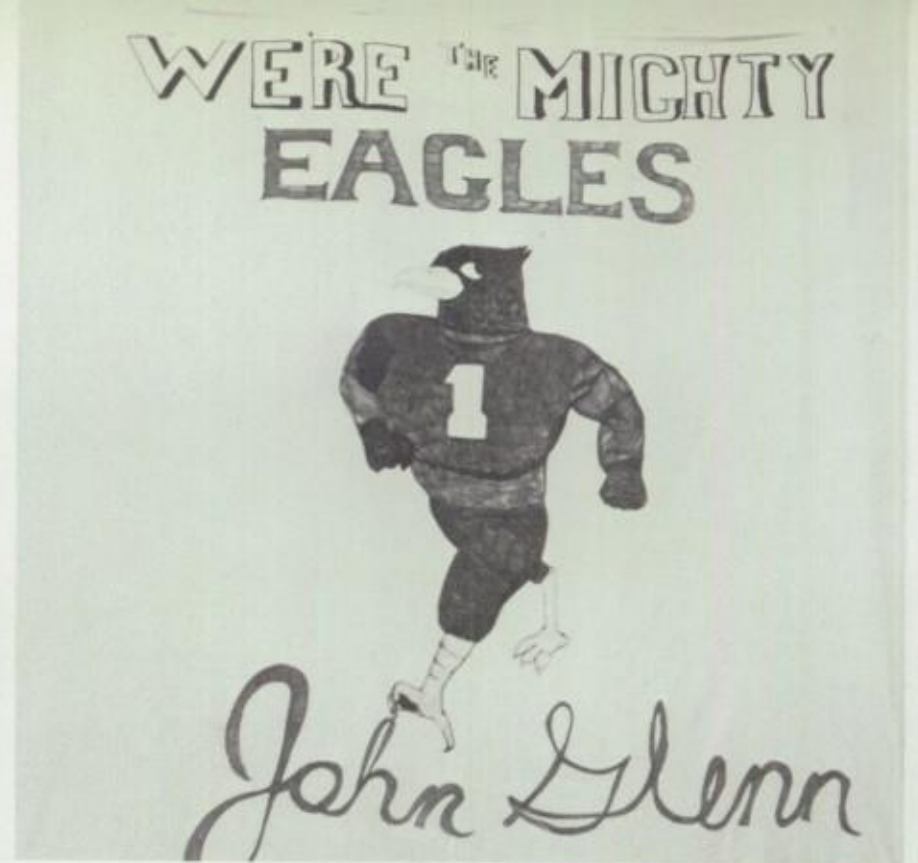

HALLOWEEN

October 31st, is a day the students of Glenn will always remember. Halloween is a once a year occasion when students dress up in the strangest costumes, and have a really terrific time.

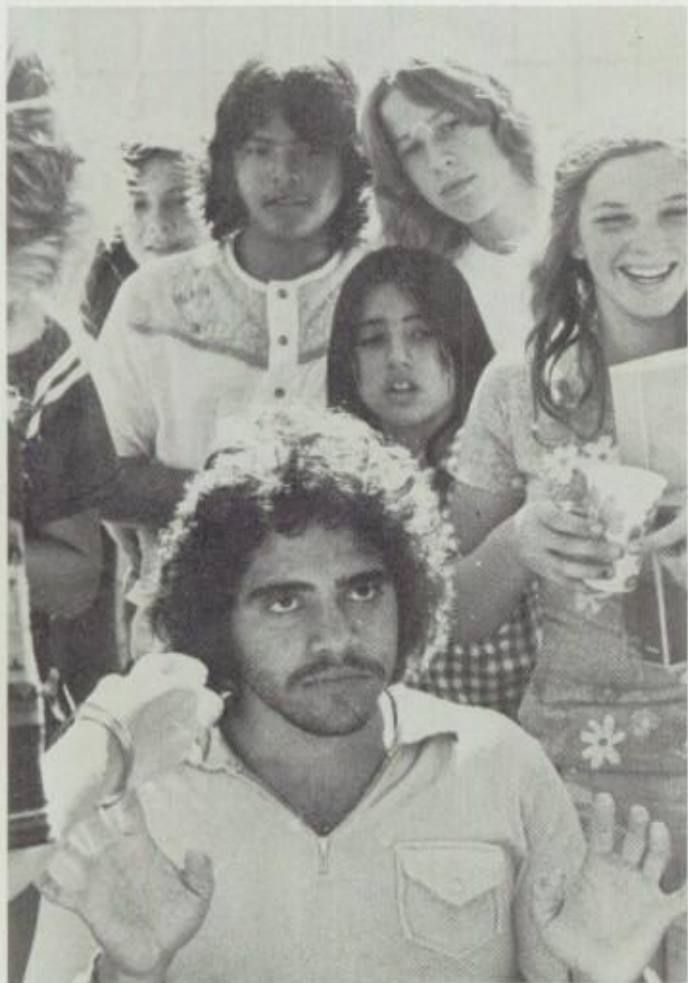

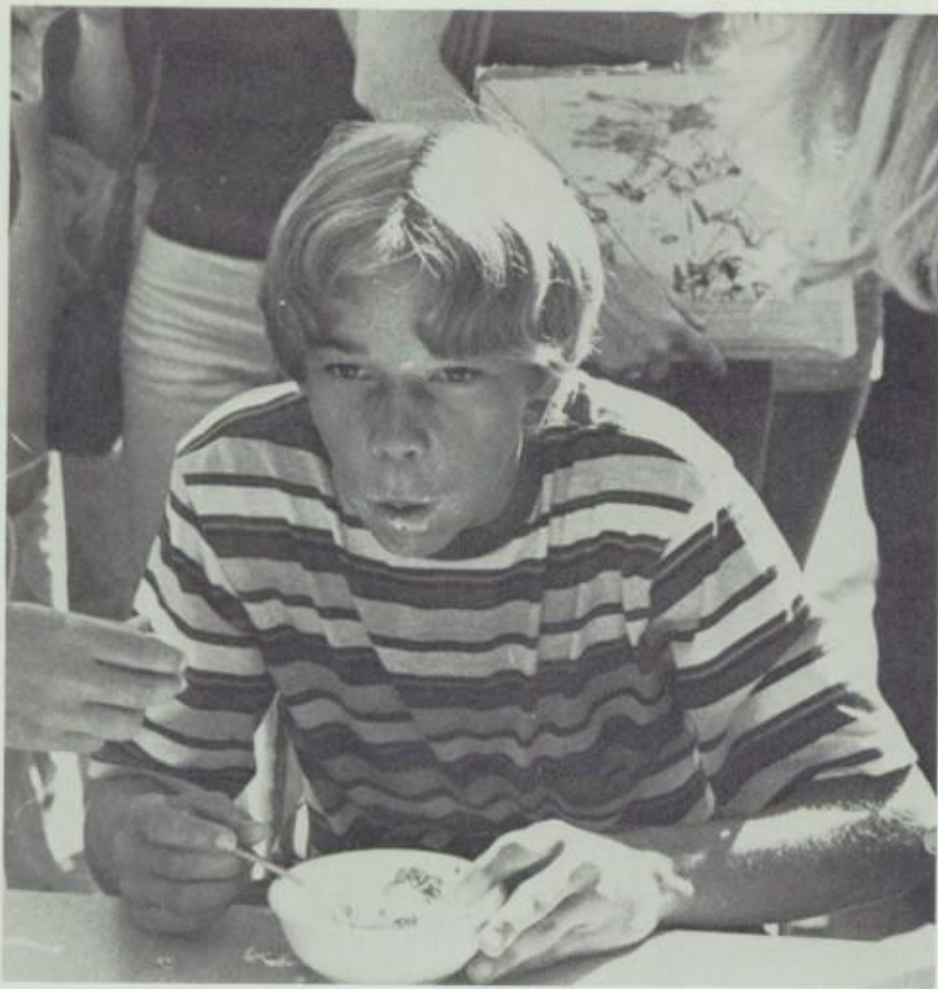

ACTIVITIES WEEK

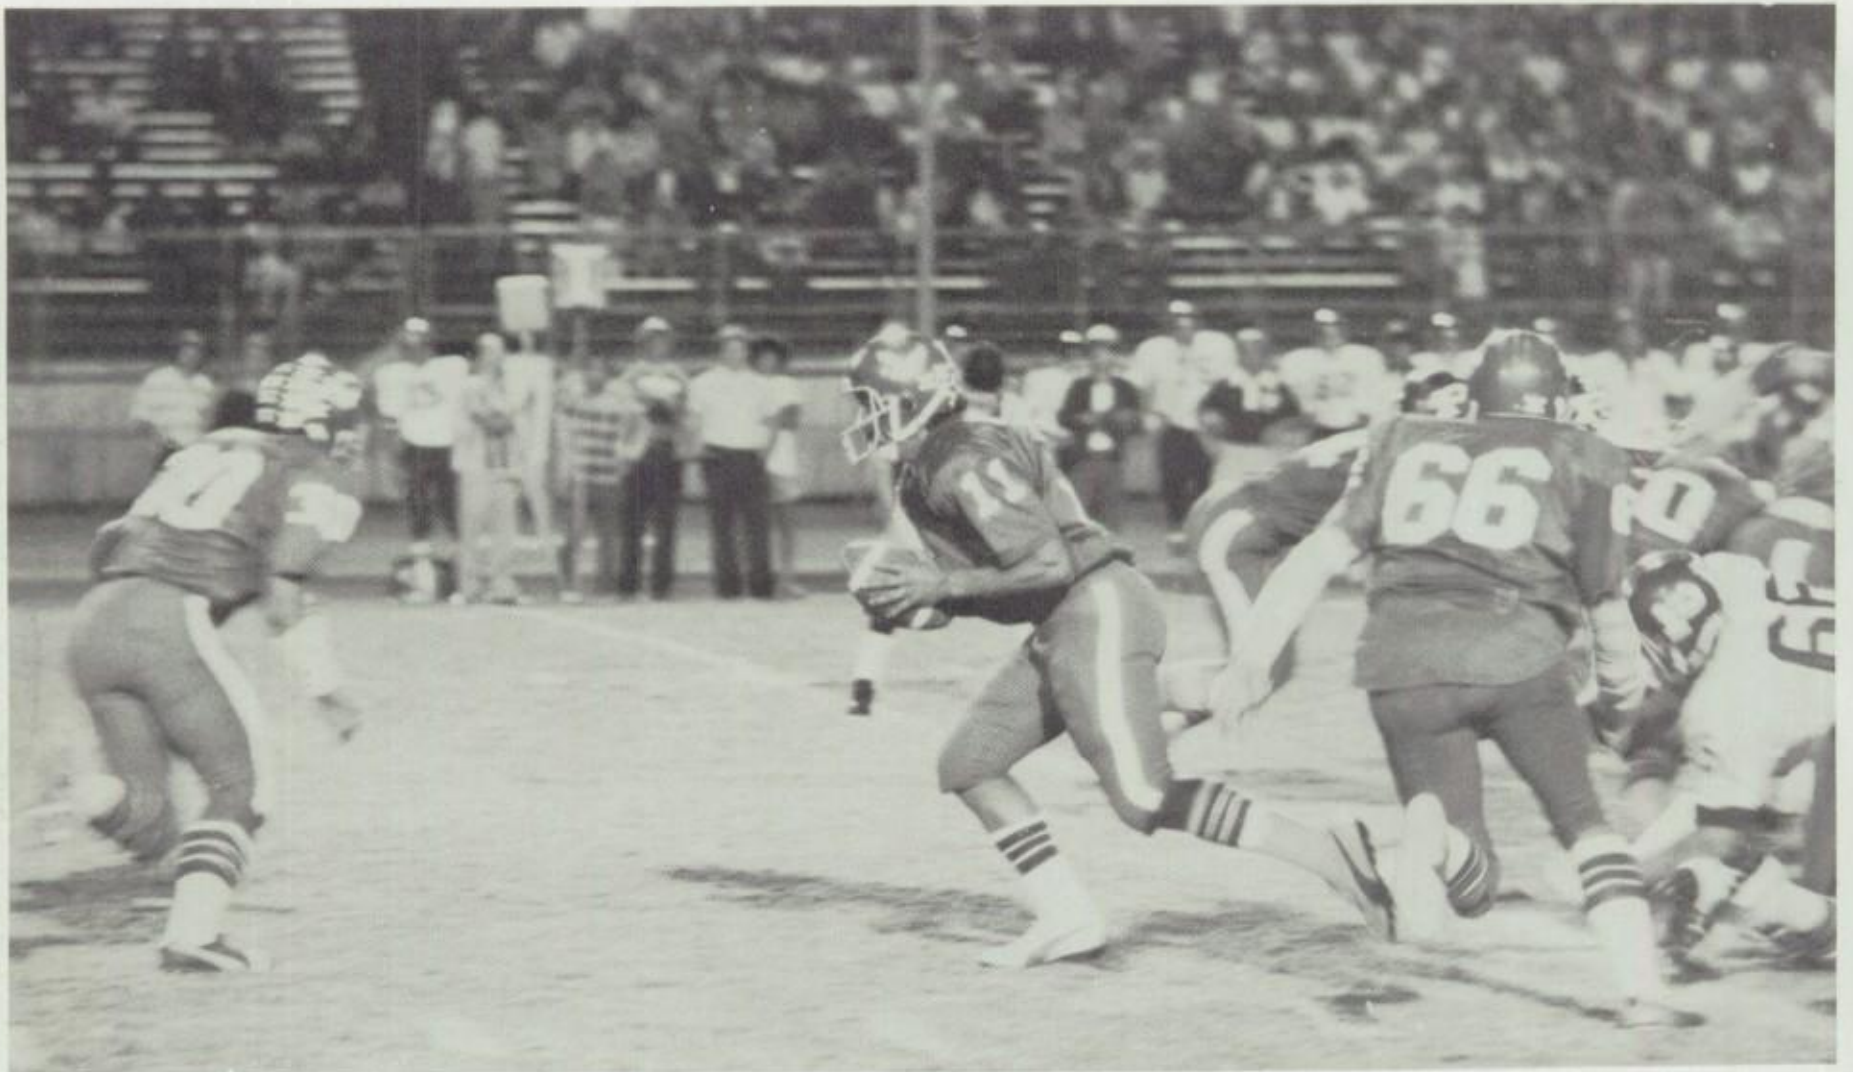

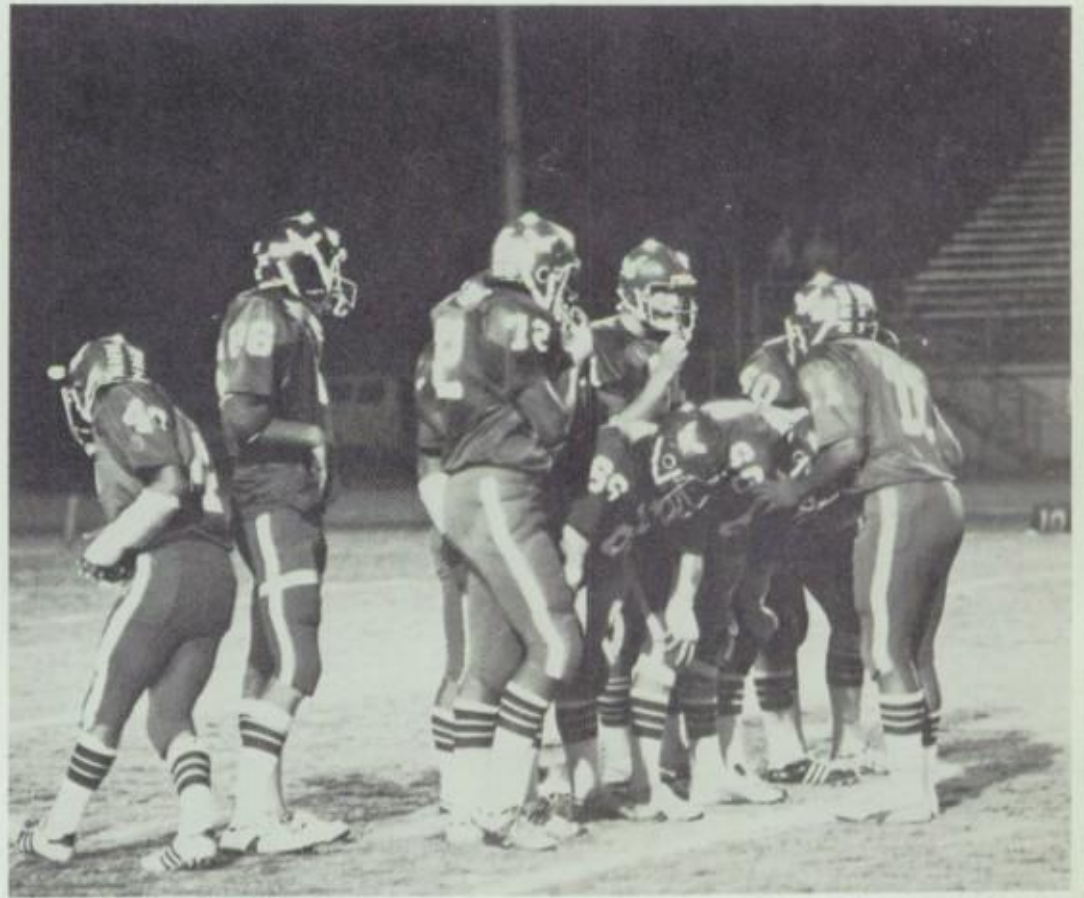

Our activities week this year was full of excitement and fun, with balloons, pom-poms, and people participating in the activities of each day, making fools of themselves.

Everyone had a good time dressing up in special costumes, and hats. This activities' week will not be forgotten.

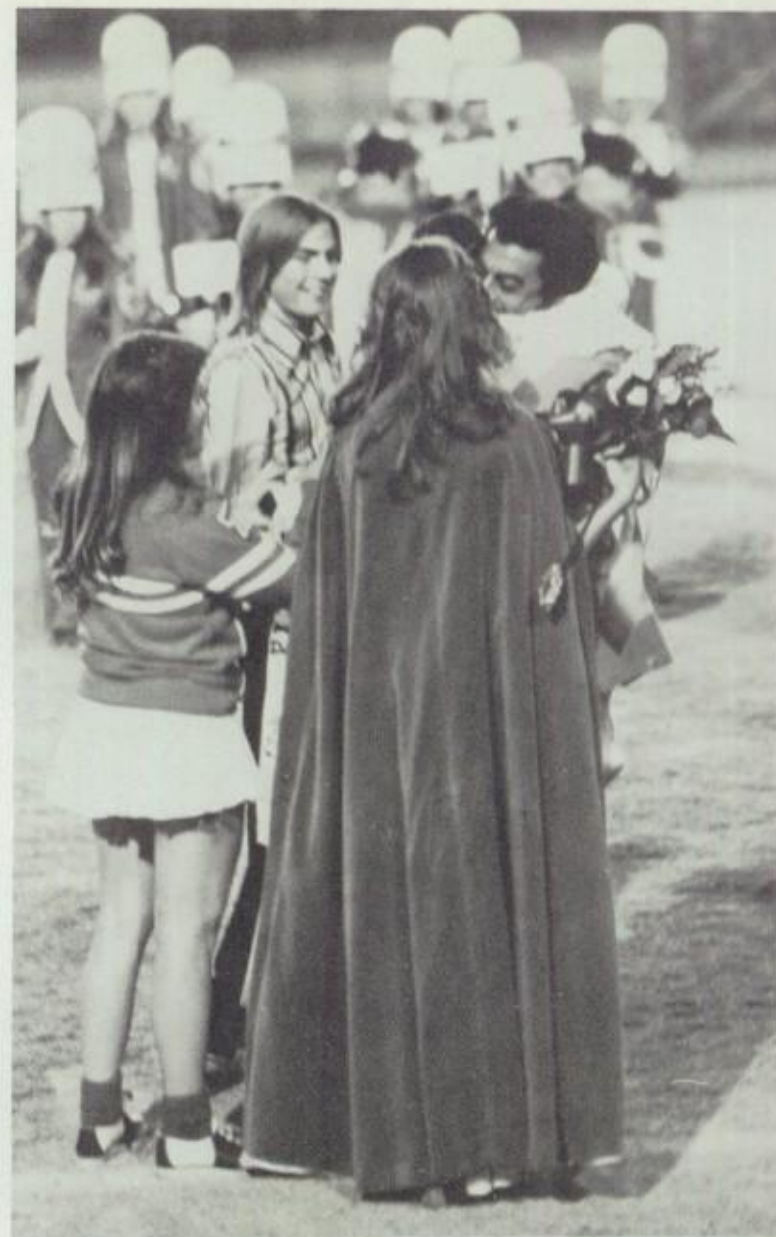

Our Homecoming Game this year was won with great strategy, concentration, and spirit. The stands were filled, people were cheering, and the players were doing their job. We really have to hand it to the team this year for their fantastic job. Let's give 'em a big cheer! Rah... Rah...!!

QUEEN ALICIA

Alicia Salazar was full of smiles as last years Homecoming Queen Tammy Golden placed the crown on her head, and gave her the title of 76-77 Homecoming Queen

HOMECOMING CROWNING

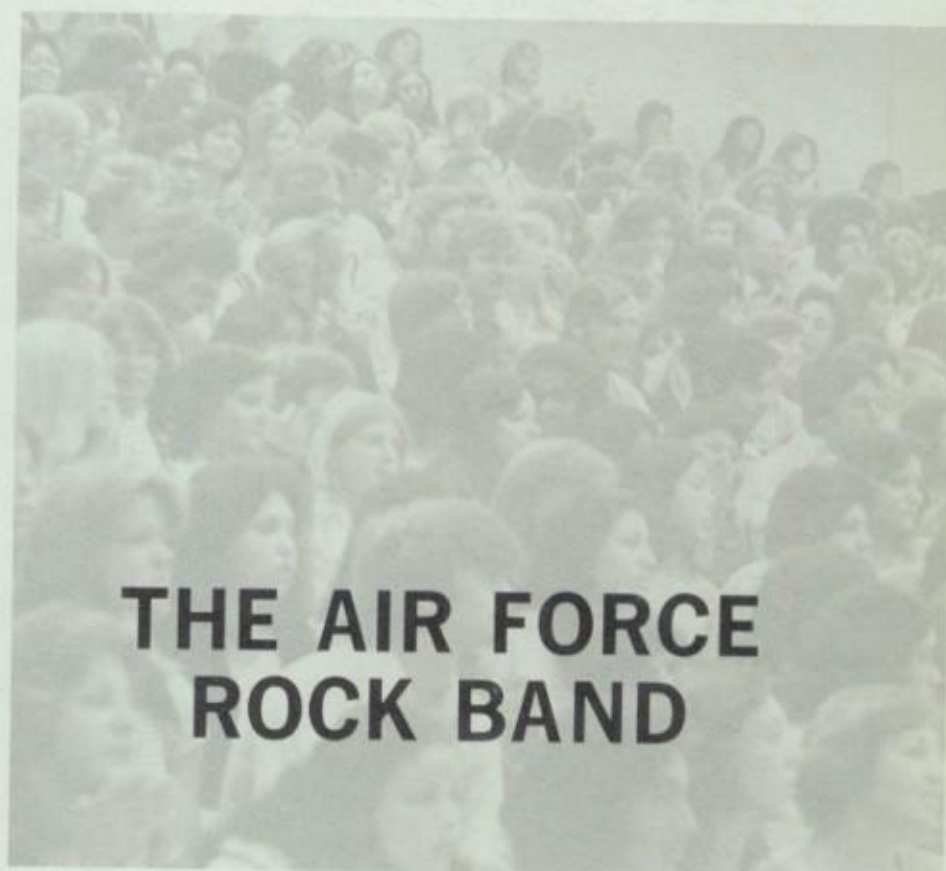

HOMECOMING DANCE

The Homecoming Dance was a big success. Many people showed up, including the alumni. The band, Crystal Ship, was excellent and won't soon be forgotten.

TONIGHT'S THE NIGHT

The Christmas Dance of 76-77 was one everyone enjoyed. Everyone was in an excited mood and being dressed formally helped bring it on. Santa of course was there too, enjoying himself while dancing and passing out candy canes to every girl he'd dance with.

The band, 'Oooh...La...La...' was very good, especially while playing the theme song, "Tonight's the Night." Everyone will remember this year's dance with enjoyment and pleasure.

THE GLASS MENAGERIE

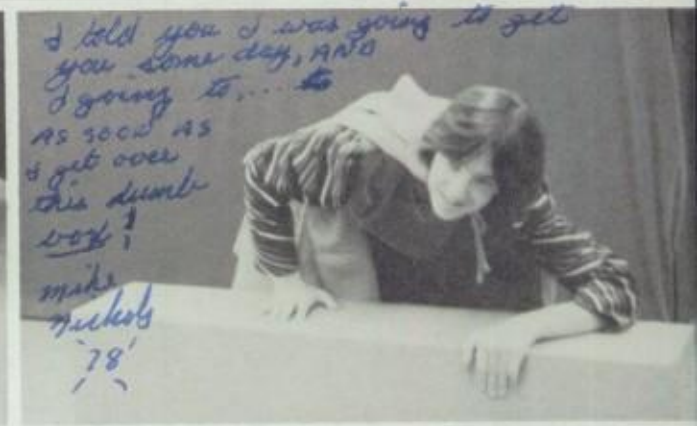

"The Glass Menagerie" by Tennessee Williams, is a drama of great tenderness, charm, and beauty. The story is about Amanda Wingfield, a faded tragic remnant of Southern gentility, who lives with her son Tom and her daughter Laura in a dingy St. Louis apartment. She strives to give meaning and direction to her life and the lives of her children, though her methods are ineffective and irritating. Tom driven nearly to distraction by Amanda seeks escape in alcohol and the unreal world of movies. Because she is a cripple Laura lives in her own world of illusion. She is also driven more and more into herself by her mother's anxiety to see her married. The crux of the action comes when Tom invites a friend Jim home to dinner. Amanda sees him as a husband for Laura. In spite of her crude and obvious efforts to entrap the young man, he and Laura manage to get along very nicely and momentarily Laura is lifted out of herself into a new world. But this crashes when, toward the end, Jim explains that he is already engaged. The world of illusion which Amanda and Laura have striven to create in order to make life bearable, collapses about them. Tom, too, at the end of his tether, at last leaves home.

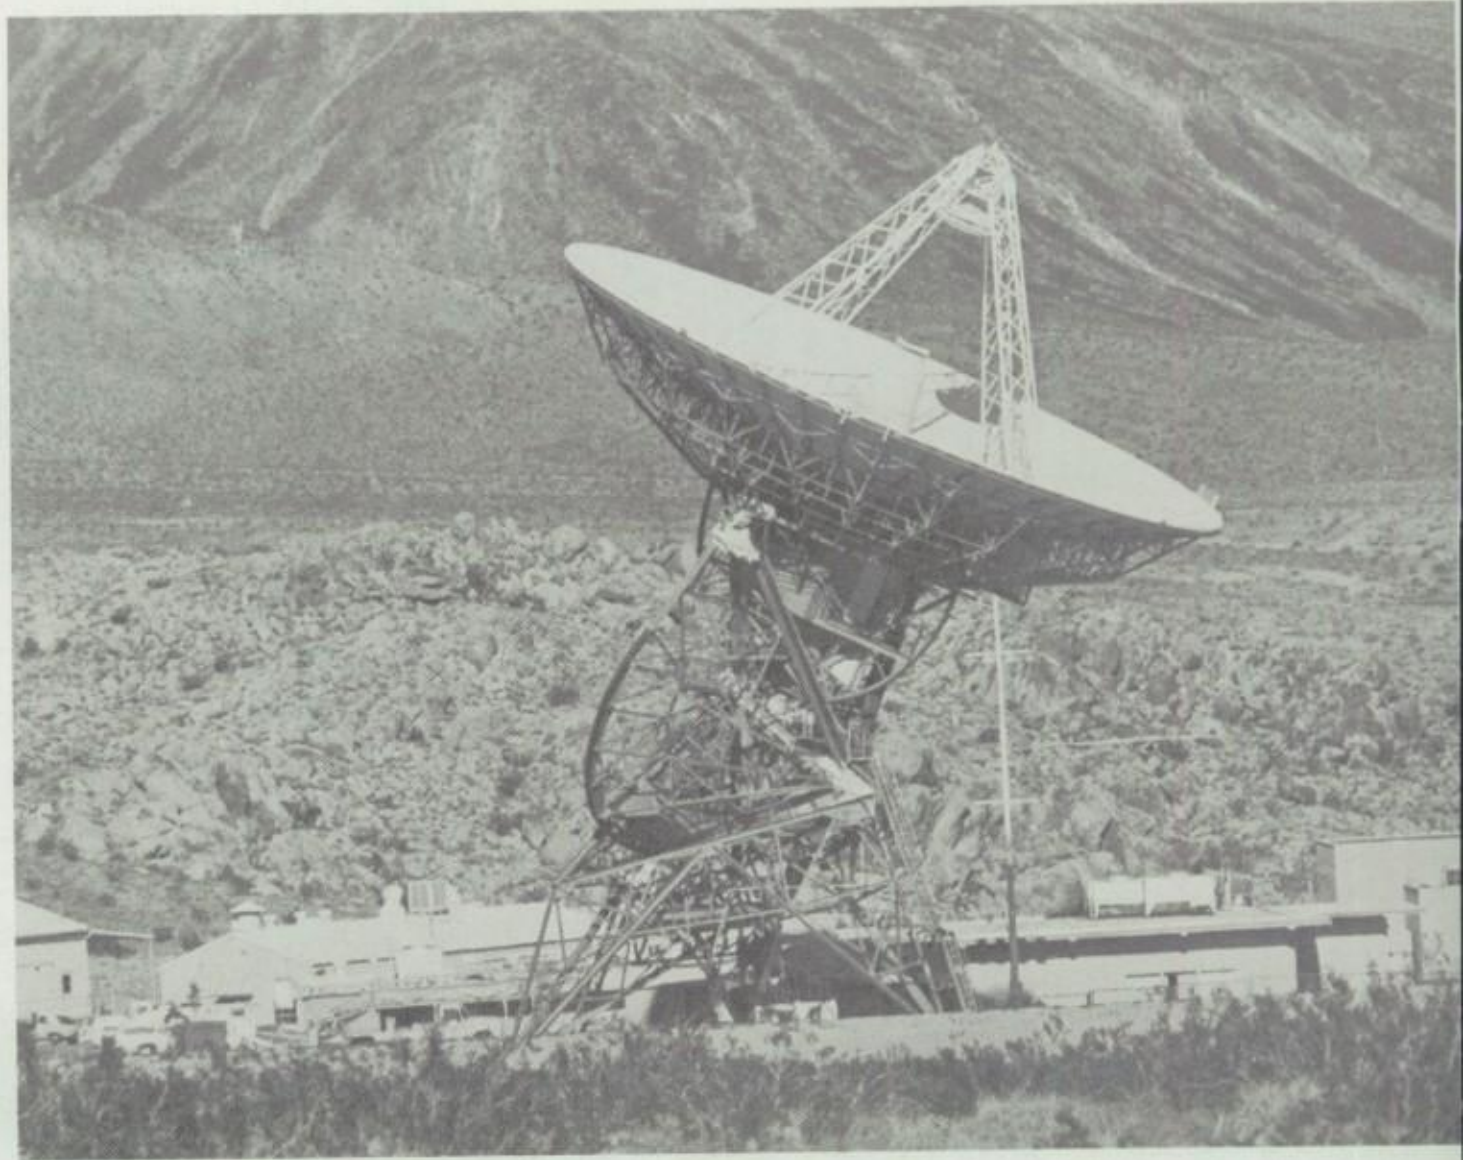

After 6 years of inventiveness, creativity and fun, Children's Theatre is still going strong. For the first time we are not only working with live actors but with a new kind of star—the puppet. This year we now have an army of quite delightful puppets. They will be appearing in "The Magic Fruit" and "Little Red Riding Hood". Our muppet friends are also appearing for the first time. They have become a permanent fixture around a certain classroom to the shock, delight and surprise of unwary students.

PEP RALLIES

This school has more spirit this year than ever before. You can see it all over in faces and places where ever Eagles go.

The pep rallies here have never been as exciting as now, and we all know they can only get better through out the year. Yeh!

The first thing this year's patriot staff learned was that when they thought they were done, they found they had only just begun. Famous last words from a staff member were, "I'm finally done." and the reply they heard was, "You wanna bet!?!". Problems came along as often as laughter. Our photographers were quite a team. Gonzalo would guard his pictures with his life and was so devoted we almost forgot him in the darkroom. And Henry was always saying, "Let Gonzalo take the picture." Our editor, Lyle, was often heard telling D.J., "You yell at them, I can't!" and D.J. replying, "My Lord!" Lori, assistant editor, was always running around with her head cut off saying, "Oh my gosh D.J.! Not again!" June worried because Joe might glue the senior portraits backwards. Mary constantly becoming paranoid over any mistake and screaming, "Frank, you dumb 0?!@!" Frank would then look at Mary with sad eyes and say, "I'm not dumb! I just can't help it!" Annette quickly says, "Okay Mary, calm down!" Annette would ask, "Did you do my pep

rally pictures?" And Jo Ann would try to convince her that she'll get it finished. Angie would sit around and grumble, "I hate staying after school!" Tammi would say, "I can't figure out anything for this copy!" And Joe would come to the rescue and say, "Never fear, the Great Copy Editor is here!" When we asked Lyle to approve our layouts he seemed always to reply, "It doesn't grab me!" Debbie and Priscilla mumble some smart remark together like, "This section is mangled!" Lyle spent all of his time with June declaring that he was helping her. Jinny and Eileen never really said anything but when everything was finished would ask, "Is there anything we can do?" Liz was constantly telling D.J., "All I did was take it out of its envelope and leave it on the table!" As we would walk into class following lunch, we never failed to hear Diane and Terri claiming, "I've got the munchies." Lorrie's famous comment was, "I never knew this class would be like this!" Now, do you want to be on the yearbook staff?

Our students would never toilet paper our school?!

GREATNESS is to do what one is not expected to do.

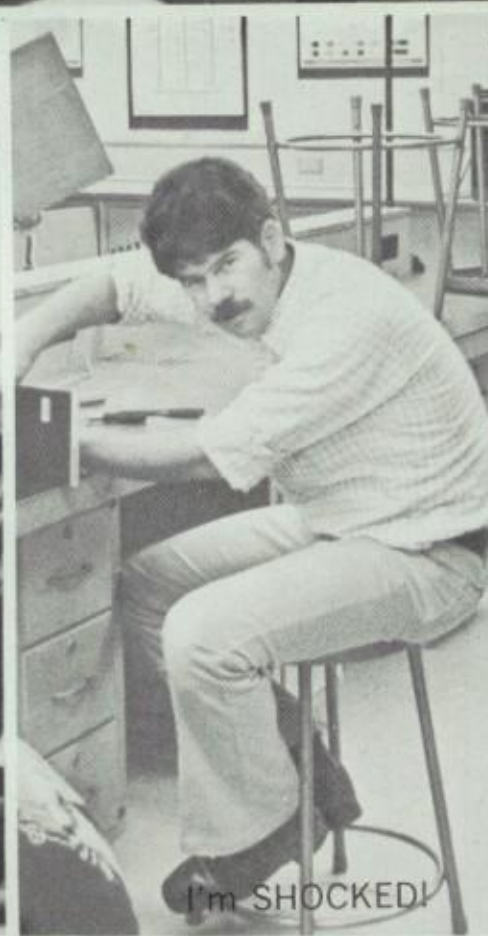

The trouble with life is you're halfway through it before you realize it's one of those do-it-yourself things.

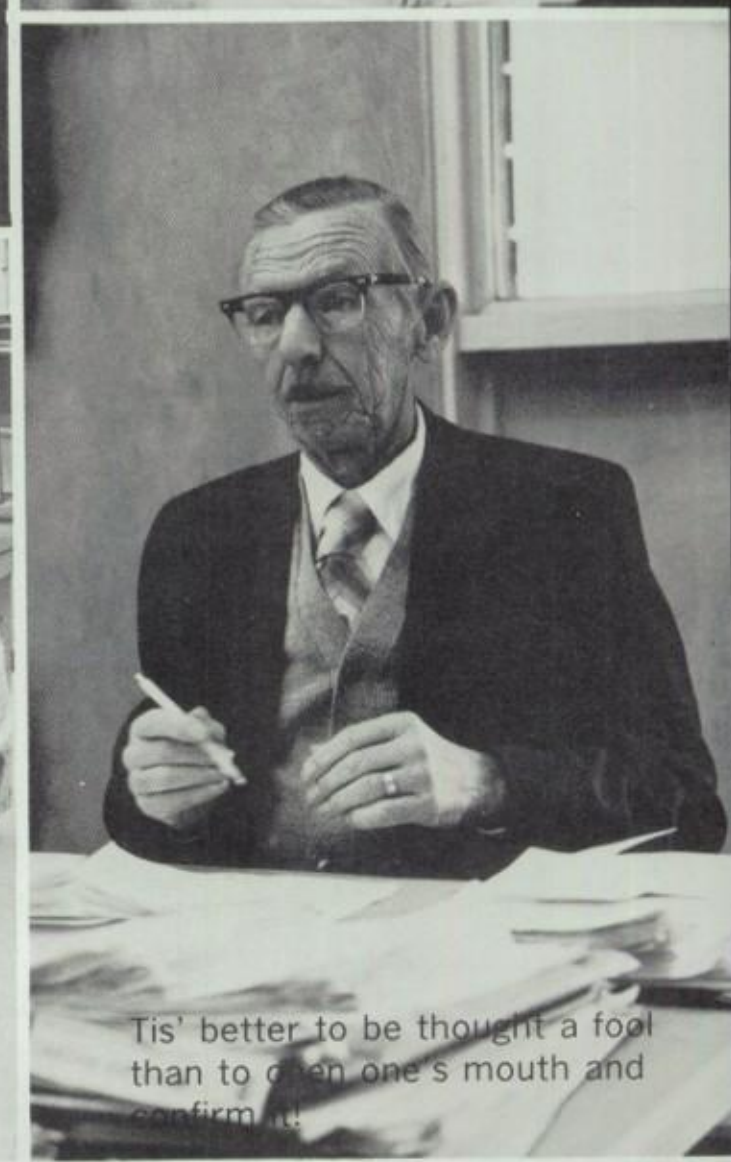

FOUR THINGS A WOMAN SHOULD KNOW

How to look like a girl,
How to act like a lady,
How to think like a man,
And how to work like a dog.

I'm SHOCKED!

Tis' better to be thought a fool than to open one's mouth and confirm it!

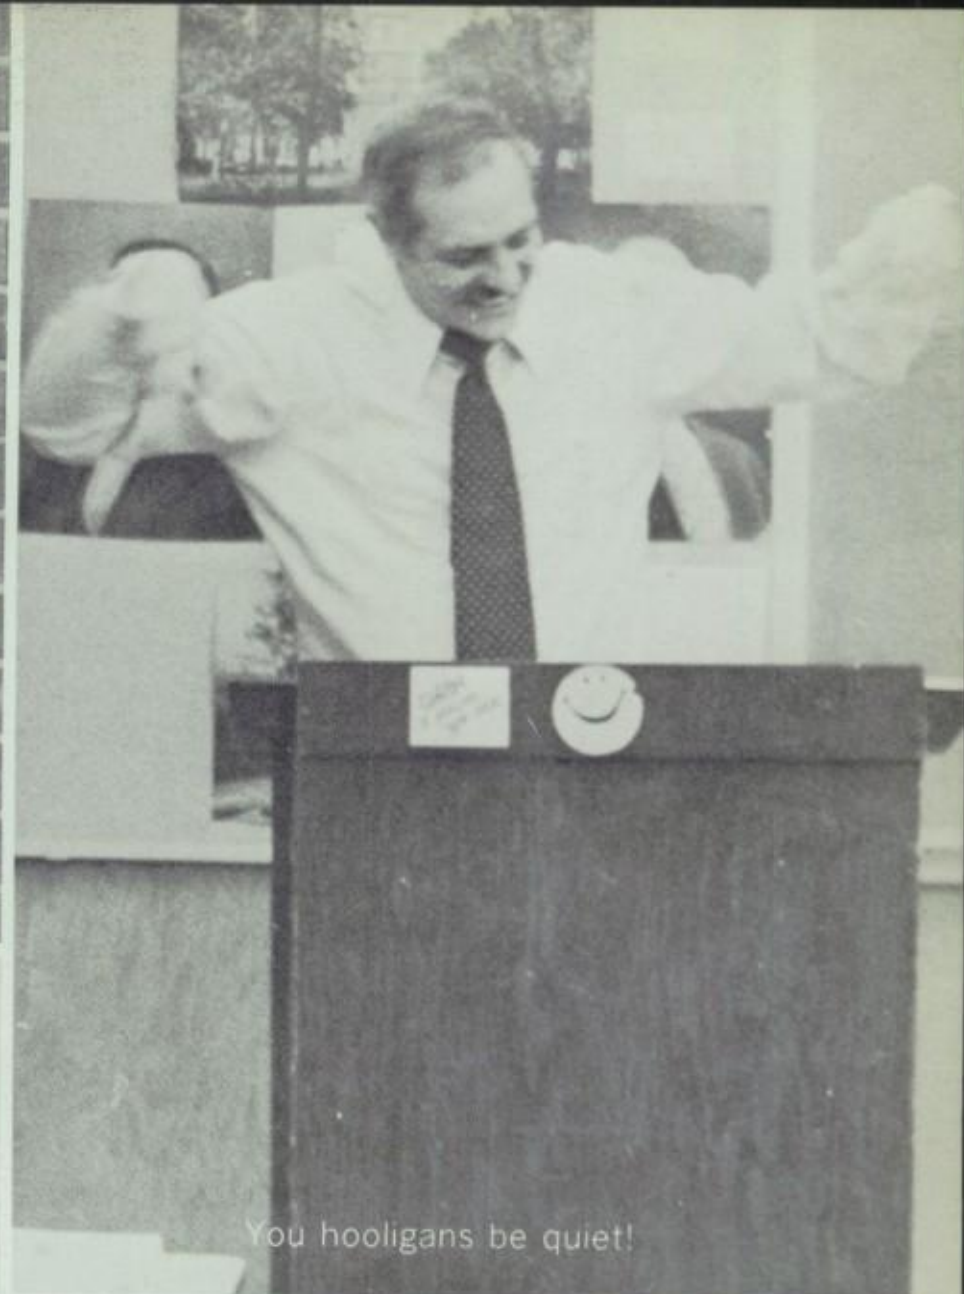

Given the opportunity the Glenn Faculty has never been at a loss for words. For instance with Mr. Levine's mastery of the English language, he has been known to say, "Hoidle-Doidle." Or how 'bout Mrs. Lerner's well received quote, "Let's have a free day today." Or when Miss de Julio finally realized that the deadline on the cover of the Yearbook was due and the company sends her back the reject picture for the second time, and she says her famous quote, "OH MY GOD'N HEMLOCK!" And here's one for all you women's libbers from the opposite sex, "Trust in God... She will provide," quotes Mr. Vinocor. One student will firmly appreciate this one quote from Mr. Kriechbaum, "...notice the burned mark on the ceiling, wall, ..." To all you jazz lovers Mr. Pino has been known to say, "Old drummers never die, they only run out of time." And now the unforgettable quote of the year is from the "Latrine Queen" (Mrs. Eddy) who says, "This too shall pass!"

After 15 cuts, 10 non-buts and a week until grades - a student said, "If I come this week, will I pass?"

15 years ago I started out in teaching with absolutely nothing and worked my way up to a state of desperate poverty.

You hooligans be quiet!

I'm starving to death.

When students have Miss de Julio for class, they can expect to hear this remark 9 times out of 10, "Don't tell me about it, just do it." Remember this remark from Mrs. Dailey, "Would you like an 'F' for the day?" or Mr. Hayes greeting you with, "What's happening Tiger?" Up in the front office we can hear echoes vibrating through the halls, such as "Stay out of the hallways," from Mrs. Manes, or Mrs. Estes, who seems to be there in time of need, saying, "I'll take care of it." Passing the desk of Mrs. Sanchez around 4 o'clock, we can hear her mutter, "This !? # % paperwork is ridiculous." Then in the other end of the building Eva Hansen can be heard to exclaim, "Get to class, turkey." Then dashing through the office to the door we hear the voice of Mrs. Smith say, "Do you have a pass? If not, go to class." We will leave you with a happy thought from Alicia in the Career Center, "Oh, Crumole!"

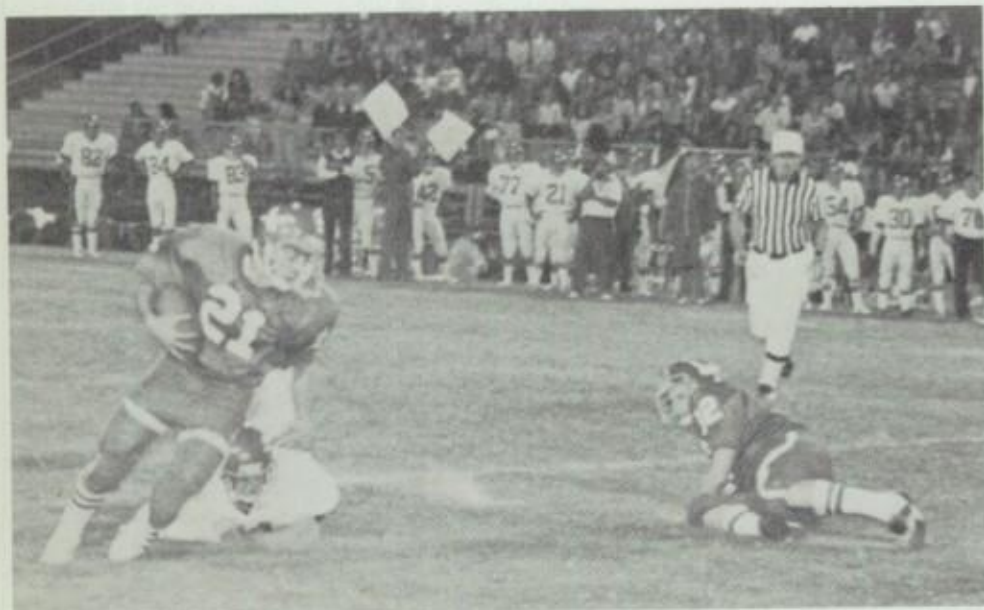

nita,
to nita a girl that has
to much to offer. Hope
to see you In the Future

COACH BILL BROWN

Bill Brown, the head coach of Varsity Football, coached at Orange High before coming to John Glenn. Coach Brown and his assistants, A. Anderson, S. DeFord, and E. Trimble were instrumental in improving our record to a 4-3-1 season. As a result our team and school spirit are at their highest.

Coach Brown lives in the City of Orange with his wife Ursula and a mean little puppy named Fang. Bill Brown went to high school in Indiana. During his high school years he played football as an end. Off season he enjoys Traveling, Fishing, Racing Motorcycles, and Snow Skiing during the winter. In the words of Coach Brown he thinks Glenn is FANTASTIC!

GIRLS' ATHLETICS COACH OF THE YEAR

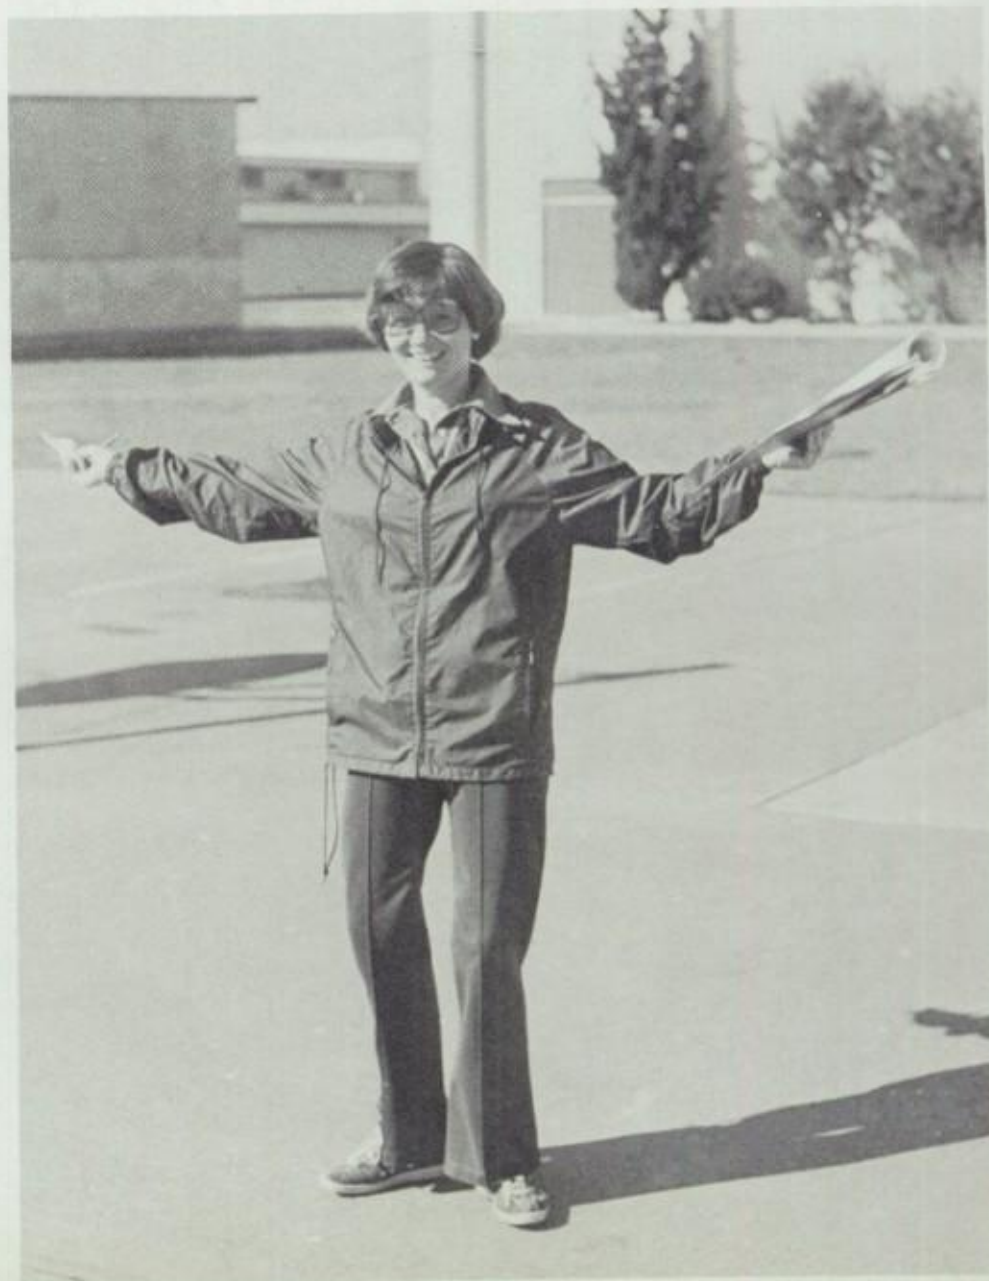

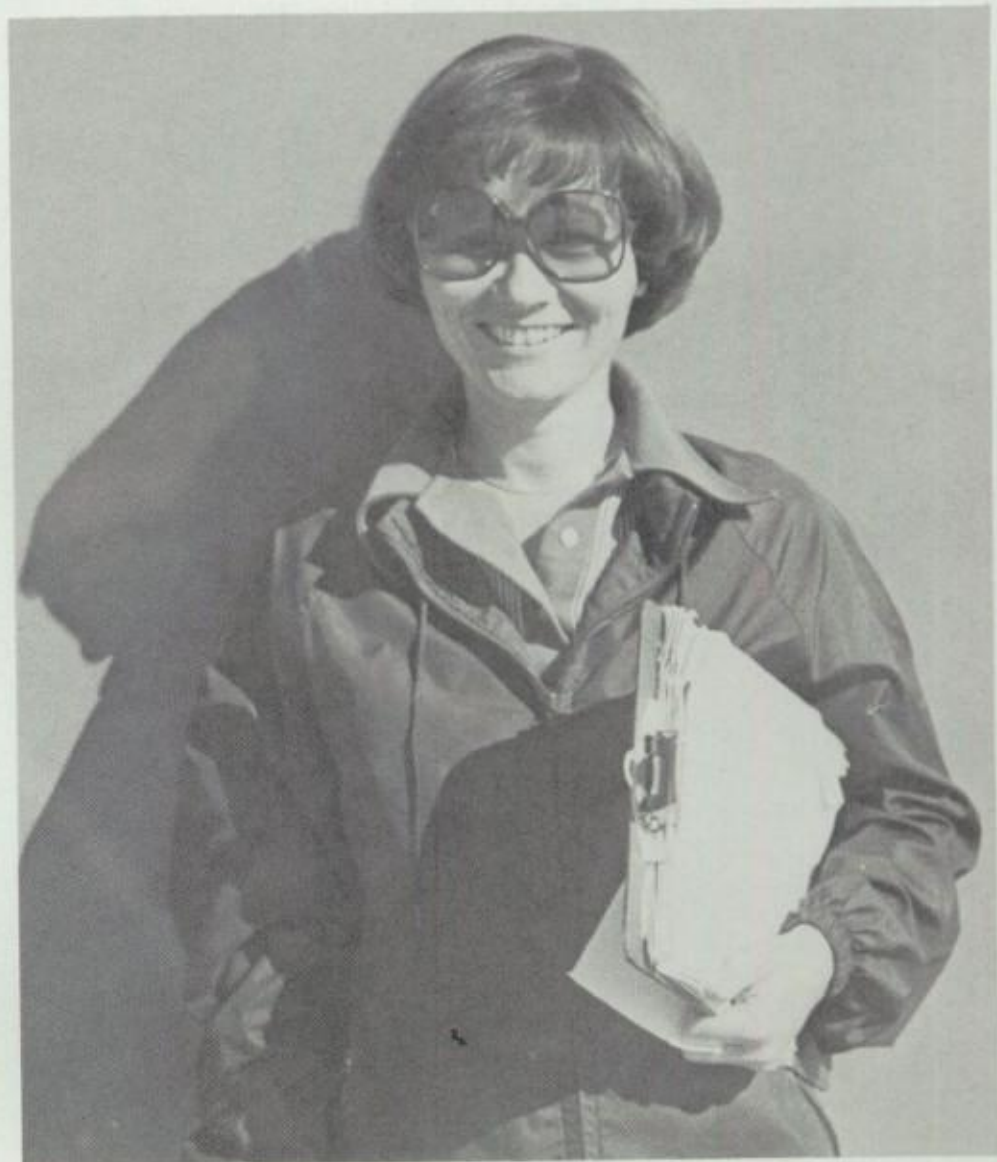

The 1976-77 Patriot Staff is proud to name Miss Linda Barrett as the first annual Girls' Athletics Coach of the Year.

This year marks her eleventh year of teaching at John Glenn. She has been a member of both the Physical Education and the Science Dept. Not only has she taught during these years, but she has coached many teams including Varsity Volleyball, Softball, Basketball, Football, and Fieldhockey.

When asked for her best coaching year and her best player, she answered, "Every team, every sport, every player hold such memories that it is impossible to choose a favorite, year, team, or player."

In addition to teaching and coaching she enjoys reading, as well as participating in many sports herself.

John Glenn High School is not only lucky but honored to have a person like Miss Linda Barrett on its Staff.

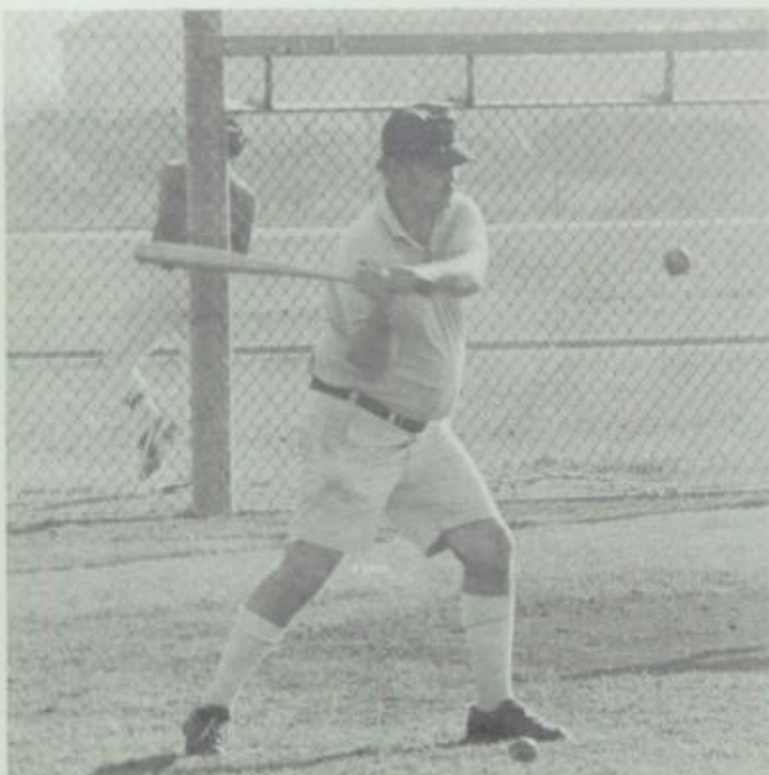

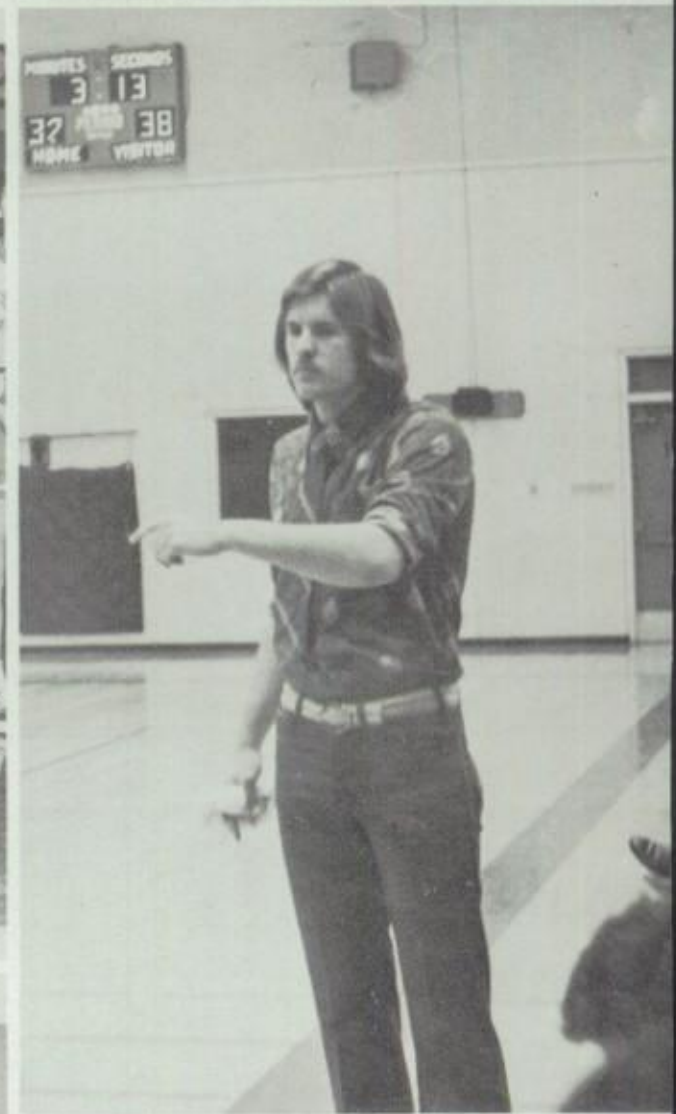

BOYS' ATHLETICS COACH OF THE YEAR

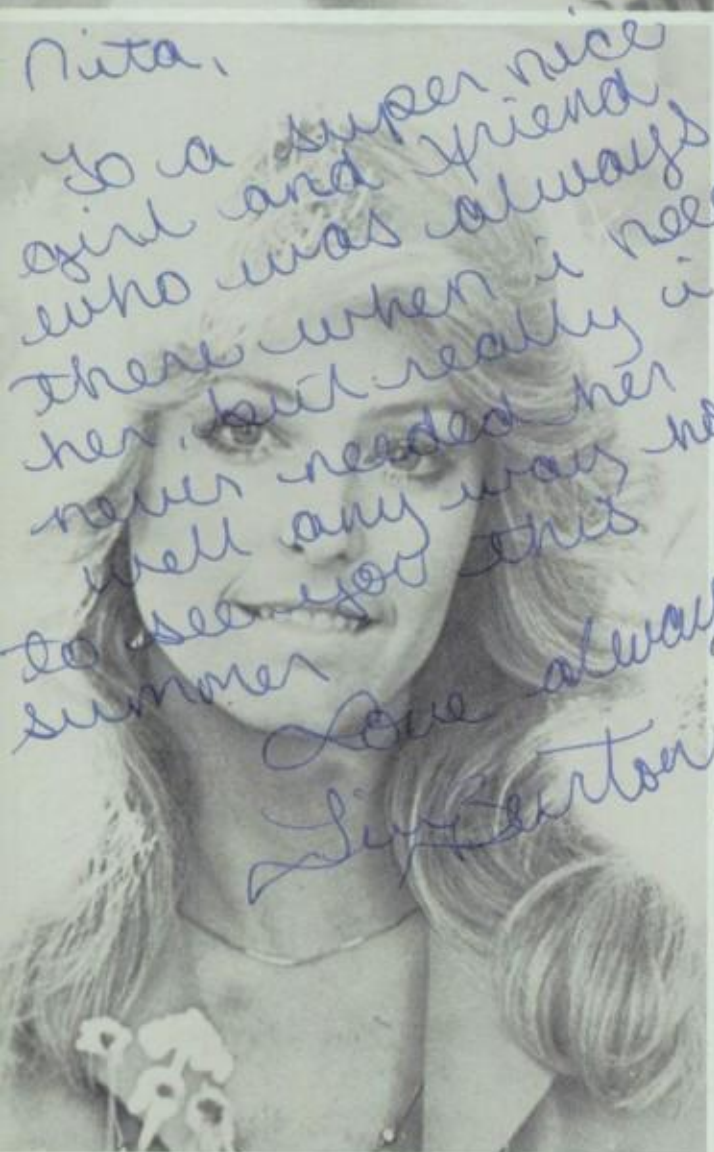

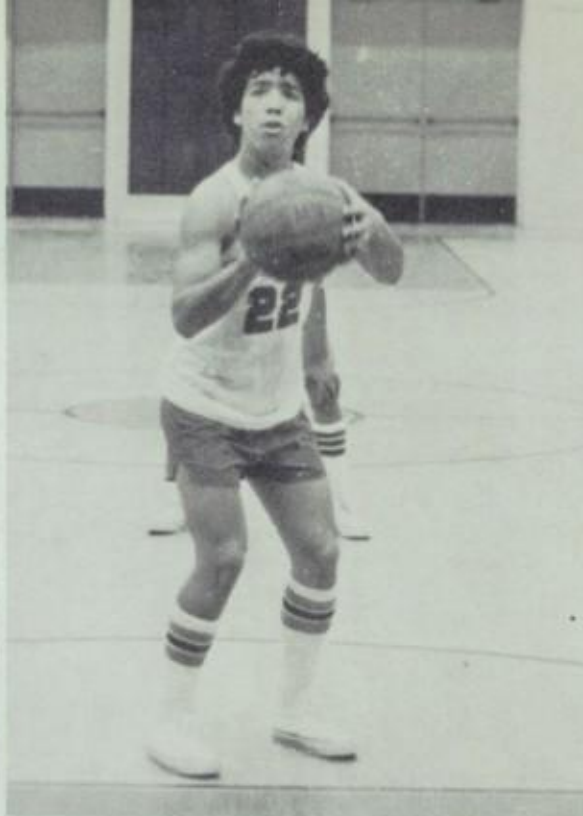

The 1976-77 Patriot Staff is proud to name Mr. Art Jessup as the first annual Boys' Athletics Coach of the Year.

This year marks his twentieth year of teaching in the Norwalk-La Mirada Unified School District. His career began at Norwalk High School, where he taught for five years before transferring to Glenn in 1962. While at Glenn he has taught health safety, dr. ed., science, math, and p.e. He has coached varsity football and is presently coaching varsity baseball. When asked to name his best football and baseball players, he answered, "Over the years there have been many outstanding players. It is hard to pick a favorite from such a long list. I must confess though, when we went to C.I.F. in 1975, it was a great moment in my career." Several of his hobbies include backpacking, fishing, photography and body surfing.

John Glenn High School is not only lucky, but honored to have a person like Mr. Art Jessup on its staff.

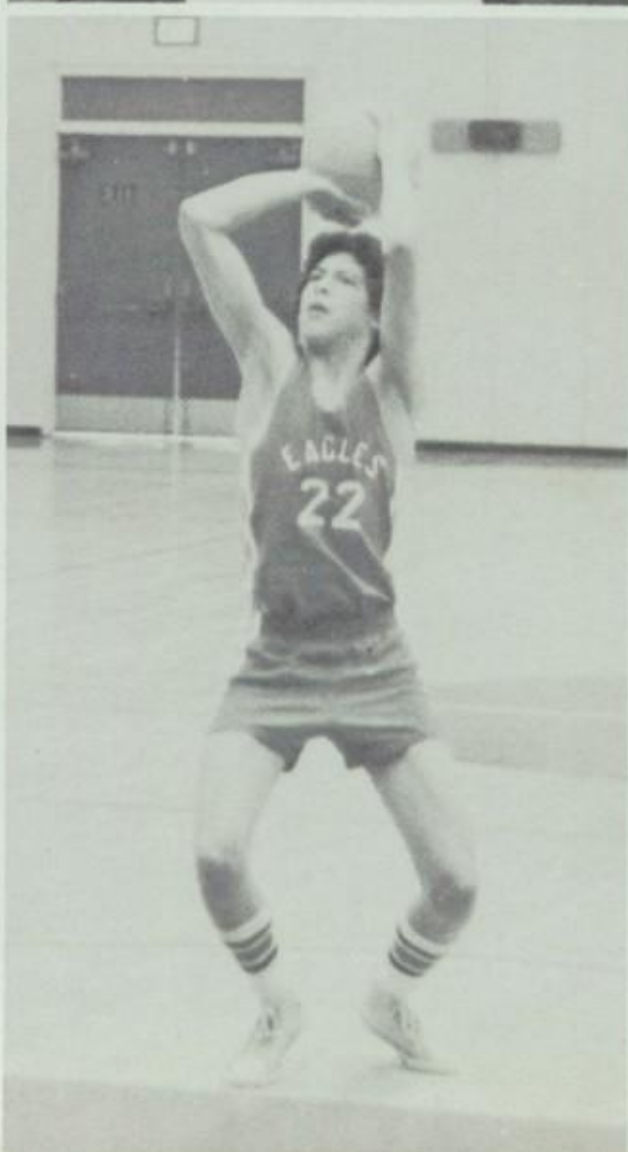

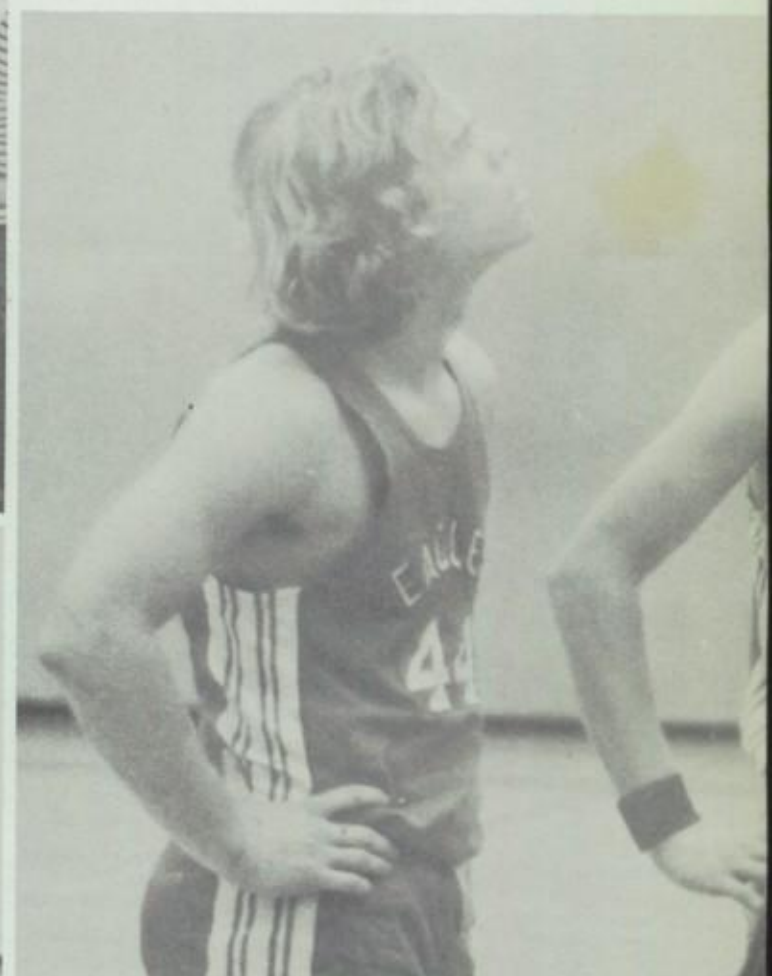

Nita,
 So a super nice
 girl and friend
 who was always
 there when I needed
 her, but really I
 never needed her
 well any way hope
 to see you this
 summer
 Love always
 Liz Burton

Rules

You've just finished looking at, inspecting, staring at, beholding, and gazing at the best thing to happen to Glenn since the day Mr. Fleming came to our school.

As staff members we realize that it took more than one person to put together this Masterpiece (even though Lyle, the editor, would tell us differently).

We, the members of the Yearbook Staff, wish to acknowledge our appreciation to those people who helped make this possible.

In addition to the reasons given for dedicating the book to Mr. Usher we wish to give thanks for his rescue mission (driving to Corona Del Mar to retrieve staff members stranded when the school car "Green Weenie" broke down).

If you close the book and stare at the front cover you will see a photo taken by Mr. Jessup.

We thank him for allowing us to use his picture to enhance our cover.

We also wish to thank Mrs. Manes for all her help and for putting up with us and our mistakes (though they were few).

Last and definitely not least is our "thanks" to ourselves, the Yearbook Staff, after all, it was our genius that put the whole mess into the great work before you. These are some of the best and worst people to ever grace a yearbook room. We had our fun and also our serious times and all things considered ... it's a miracle anything got done.

We, the undersigned, do hereby solemnly swear that the aforementioned statement is true to the best of our knowledge.
